

## 4.21.22 Tburg Rotary Minutes

Present: Shelly Bullock, Zoren Bullock, Peggy Haine, Pat Jung, Joan Munich, Kathleen Over Baugh, Tom Over Baugh, Durand Van Doren, Frank Zgola

Because so many members were not able to make the meeting, it was decided to hold it via Zoom and return to the Legion next week.

President Kathleen noted the Club's desire to contribute financially in some meaningful way to the people of Ukraine. It was suggested that the Club contribute \$500 to World Central Kitchen and \$500 to Shelter Box. A decision was put off until the April 28 meeting when Michael will be there to give us a financial report.

Club members were pleased to welcome Patricia Jung to the meeting, as a prospective new member. She moved to the area less than two years ago, and is looking for opportunities to serve this community.

A vote was taken and it was agreed to support Trumansburg Schools' post-prom party in the amount of \$300, which is a line item in this year's budget.

President Kathleen reported on New York Youth Exchange, which is proceeding this year. She noted that one club is bringing in a student from Ukraine.

Durand is organizing a neighbor-helping group, "Call Durand." He'll begin helping neighbors get their trash and recycling to the curb on pick-up days and see where it goes from there. He would like to see this evolve into a Club service project.

### Happy Dollars

Frank pledged \$5 in celebration of his progress in clearing up the estate of a relative in California.

Kathleen kicked in \$2 to commemorate a good trip to Disney World with family, and also for having her granddaughter, Penelope, stay with her for a week.

Durand contributed \$2, one for each of the Bullocks, both of them recovering from COVID.

The Club closed the meeting with the Five-Way Test.
