### **Minutes**

Treasurer Michael provided a hearty vegetable-packed soup for dinner; salad and garlic bread by Peggy; and a luscious strawberry clafoutis as well as sliced watermelon provided by Joan, just returned from her trip to Greece. Pat offered rooted cuttings of a twisted willow to any of the club's gardeners.

President Kathleen and President-elect Tom, just back from Houston, reported on their experiences at this year's Rotary International Convention focused on diversity, and on the Rotary Youth Network. Kathleen reported that everyone was just so happy to be able to meet in person after the past couple of years' COVID restrictions. Next year's convention will be in Melbourne.

The club presented Trumansburg Food Pantry coordinator Carol Grove with a \$1,000 check for the Pantry. Carol noted that the number of Food Pantry clients had risen somewhat, and that the club funding would come in handy for providing health-related items that they could not obtain through their regular food sources.

Kathleen and Peggy announced that the District Grant request for funding the Trumansburg Conservatory of Fine Arts' stage lighting had been finally approved. Hooray!

Tom said he was waiting to hear from BOCES on the status of the club's new BBQ rig, and hoped it would be ready for the upcoming barbecue, June 18.

Angel announced that four teams so far have paid to participate in the July 8 Golf Classic, and three additional teams have committed, which is about par for the course (sorry for pun) – we're at about where we were at this time for the last tournament. Angel distributed sponsorship forms to club members in the hopes of recruiting some more sponsors.

Joan agreed that she would make a presentation to the club on her adventures in Greece, date TBD.
