

Trumansburg Rotary Meeting - Thursday, November 16, 2023

Present; Durand, Stephenie, Peggy, Shelly, Zoren, Kathleen, Tom, Mike, Frank
Guests; Fred Collins a potential new member (he returned so this looks promising)
Speakers; Captain Stacy McNeil of the Salvation Army, along with Janet from the advisory board and, Nancy, who is president of the auxiliary.

1. Durand recognized our September Service Above Self Student, Audun Gruber-Hine, presented his certificates and posed for photos.
2. Captain Stacy led us through a laundry list of the services provided to county residents and it is overwhelming! She made an appeal for help with "Angel Trees" so 800+ kids will receive presents this year (trees can be found at Tops, Walmart, Maguire, etc). Our club committed to ringing the bell at ShurSave Saturday December 23 all day so expect a sign up sheet early that month.
3. Durand reported he and Joan successfully delivered Share The Warmth clothing this past Monday and that he will keep the collection box at ShurSave an extra week to get straggler contributions.
4. Frank distributed copies of DG Wendy Deis's mental health brochure.
5. Peggy was thanked for providing her usual great meal.
6. Durand dealt cards but no one won this week.
7. Happy dollars - there were a lot of them and my memory fails...

Peggy reminds us our November 30 meeting will be at her home to prepare festival soup =so bring your knife and a cutting board!

NO MEETING NEXT WEEK!
